# Are You a Generous Friend?

Will your friends **really** buy the next round?

How long has she owed you \$5?

Do you even remember who owes you a few bucks?

# Becoming a Cheap Friend

With MyCheapFriend.com, you can finally remember lending somebody a few bucks.

First: Send a text message to  
[new\\_account@mycheapfriend.com](mailto:new_account@mycheapfriend.com)

It will respond with a randomly generated e-mail address. Save it in your address book.

# The Rules of the Game

For all of the following operations, send your message to your saved address.

## 1. Loan a few bucks

Send a message with a phone number and an amount less than \$9999.99

For example: 6462294051 15

# Phone Numbers are Long

Texting long numbers is tedious. Give your friends nicknames.

Send a message with a nickname and a phone# We'll remember it for you.

For example: "boss 2039804107"

Now you can use the nickname in place of a phone number

For Example: "Boss 7"

# So, how much do they owe me?

Send us a message containing the body,  
“Report”. We’ll tell you how much you owe,  
and how much is owed to you.
